Re: Utah Mined Land Reclamation Act

Dear Mr. Carrol:

Enclosed is a copy of a letter written to Mr. Oral Clark the contractor performing mining activities on the Seven Mile Mine, in Grand County, Utah. Mr. Clark contacted our office to let us know that he is concerned with keeping in compliance with the Utah law, however he suggested that we contact you to have the 'paper work' completed.

Copies of the filing forms are included for your review. If you have any questions, please feel free to call. We can arrange a meeting between Ron Daniels the Divisions coordinator of mined land development, and the geologist for the Division, Brian Buck, here, or in Moab, if you would like some assistance with the forms.

We look forward to hearing from you.

Sincerely,
DIVISION OF OIL, GAS, AND MINING

LuAnn Clayton
Mining Secretary
